

INDIVIDUAL SELF-CERTIFICATION

Tax residency

Tax regulations¹ require us to collect certain information about each investor's tax residency⁴. In certain circumstances (including if we do not receive a valid self-certification from you) we may be obliged to share information about your account(s) with the Luxembourg tax authorities who may in turn share the information with any or all participating tax jurisdictions⁵. For further information, please see the OECD Automatic Exchange Portal <http://www.oecd.org/tax/automatic-exchange>.

Please indicate all the countries in which you are resident for tax purposes and your associated Tax Identification Number(s)⁶ in the table below. If you are also a US citizen you must include United States in this table along with your US Tax Identification Number. If you have any questions about your tax residency, please contact your tax adviser.
