Investor guidance

New investors

If you are a new investor in a share class in the period to 30 September 2018 you should bring the following amounts into your tax return:

 You must also bring the excess reportable income per unit in the period in as taxable income (note this is the case regardless of when you joined in the accounting period) [B]
 You may deduct the equalisation against the distributions [A] and excess reportable income [B] until the equalisation is fully utilised [C]
 The amounts imputed into your tax return may be reduced no lower than nil as a result of the adjustment from equalisation [C]
 Please note - all the amounts in the table above are per unit and you should multiply by the number of units held on the distribution date [A] or 30 September 2018 for [B] and the number of units issued to you [C]

Please note that the amounts above are in respect of distributions from the fund for the year ended 30 September 2018.
