Notice of 2018 Annual General Meeting

Letter from the Chairman

Dear Shareholders

I hope that you will be able to attend the Annual General Meeting (the 'Meeting') of the Company, which is to be held on Thursday 25 January 2018 at 2.30 p.m. at 201 Bishopsgate, London EC2M 3AE, the offices of Janus Henderson Investors.

The Notice of Meeting can be found on pages 1 and 2 of this document, together with a map showing the venue for the Meeting. Further details of each of the resolutions to be proposed at the Meeting are set out in the explanatory notes on pages 3 and 4. I also refer you to the Company's Annual Report for the year ended 30 September 2017 (the 'Annual Report 2017'), which is being sent to shareholders with this document.

Our Fund Manager, John Bennett, will give a presentation at the Meeting and there will be opportunities to ask questions. If you are not able to attend the Meeting I hope that you vote by completing and returning your form of proxy. All proxy appointments should be submitted in accordance with the instructions and deadline given on the relevant form. The Meeting will be broadcast live on the internet so if you are unable to attend in person you can watch the Meeting as it happens by visiting www.janushenderson.com/trustslive.

The Board considers that the resolutions to be proposed at the Meeting are in the best interests of the Company's shareholders as a whole and therefore recommends unanimously to shareholders that they vote in favour of each of the resolutions, as the Directors intend to do in respect of their own beneficial holdings.

Yours faithfully

Rodney Dennis

Explanation of the Resolutions

Resolutions 1 to 12 are proposed as ordinary resolutions. This means that for each of those resolutions to be passed more than half of the votes cast must be in favour of the resolution. Resolutions 13-16 are proposed as special resolutions. This means that for each of those resolutions to be passed at least three-quarters of the votes cast must be in favour of the resolution.

Resolution 1: Company's Annual Report and audited financial statements (ordinary resolution)

The Directors are required to present to the Meeting the Annual Report and audited financial statements in respect of the year ended 30 September 2017 and the Independent Auditor's Report. Shareholders will be given an opportunity to ask questions on these items and at the end of the discussion, shareholders will be invited to receive the Annual Report and audited financial statements.

Resolution 2: Approval of the Remuneration Policy (ordinary resolution)

The Company's Remuneration Policy is set out on page 22 of the Annual Report 2017. The Directors are proposing to increase the aggregate remuneration limit in respect of Directors' fees from £150,000 to £250,000 per annum, providing headroom for future recruitment and remuneration increases. The current limit has been in place since January 2007. Directors may also be eligible to receive additional remuneration, in specific circumstances, for services which go beyond the ordinary duties of a non-executive director. The Company currently has no intention of making such additional payments.

The current aggregate remuneration limit for Directors' fees is set out in the Company's Articles of Association (the 'Articles') and the Directors propose to remove this aggregate limit from the Articles in favour of embedding it within the Company's Remuneration Policy. This will allow shareholders to vote on the Company's overall approach to remuneration in a single resolution at least once every three years.

A separate resolution (Resolution 16) sets out the proposed changes to the Articles, which includes the removal of the aggregate limit on Directors' remuneration and includes the ability of the Company to provide additional remuneration to non-executive directors for services which go beyond their ordinary duties.

Resolution 3: Approval of the Directors' Remuneration Report (ordinary resolution)

Shareholders are requested to approve the Directors' Remuneration Report, which sets out how the Remuneration Policy has been implemented. The Report is set out on pages 22 and 23 of the Annual Report 2017. The vote is advisory and does not affect the remuneration payable to any individual Director.

Resolutions 4 and 5: Dividend (ordinary resolutions)

The Directors are proposing a final dividend of 20.50p per ordinary share. The proposed final dividend, alongside the interim dividend of 9.00p per ordinary share, brings the total dividend for the year to 29.50p per ordinary share. The Directors further propose a special dividend of 1.40p per ordinary share. If approved, the dividends will be paid on 2 February 2018 to shareholders on the register on 5 January 2018.

Resolutions 6-8: Re-election of Directors (ordinary resolutions)

In keeping with the provisions of the Corporate Governance Code issued by the Association of Investment Companies, Mr Rodney Dennis and Mr Alexander Comba, who have served as Directors for more than nine years, will stand for re-election at the 2018 AGM.

Mr Alain Dromer will retire by rotation in keeping with the provisions of the Company's Articles and offers himself for re-election.

The Board has reviewed the contribution and commitment of the Directors standing for re-election and consider that they continue to bring current and relevant business experience that allows them to contribute effectively to the leadership of the Company. The Board is therefore pleased to recommend to shareholders the re-election of all Directors retiring at the 2018 AGM.

Biographical details of the Directors who served during the year and up to the date of this Notice are shown on page 12 of the Annual Report.

Resolutions 9 and 10: Re-appointment and remuneration of the auditor (ordinary resolutions)

In accordance with sections 489 and 492 of the Companies Act 2006 ("the Act"), shareholders are required to approve the appointment of the Company's auditor each year and to give the Directors the authority to determine their remuneration. Following performance evaluation of the current auditor, Ernst & Young LLP ("EY") in respect of the 2017 audit, the Directors recommend their re-appointment. EY has expressed its willingness to continue as auditor to the Company.

Resolution 11: Amendment to the Investment Objective and Policy

The Directors are recommending that shareholders approve the adoption of a revised Investment Objective and Policy. The Directors do not envisage that the revised wording will affect the manner in which the Fund Manager currently invests and manages the portfolio. In considering the revised drafting, the FCA's recommendations in terms of clarifying and simplifying the wording used have been taken into account.

The changes include a reduction in the number of minimum holdings from 50 to 45 permitting the Fund Manager to make the portfolio more focussed, changing the current limit of holdings in smaller capitalised companies to 10% of NAV and removing the emphasis on the use of gearing for 'tactical purposes' permitting the Fund Manager discretion in how gearing is used within the portfolio subject to the limits determined by the Board.

The full text of the revised Investment Objective and Policy is set out in Appendix 1. A copy of the existing Investment Objective and Policy is set out on page 4 of the Annual Report 2017.

Resolution 12: Authority to allot shares (ordinary resolution)

On 1 February 2017 the Directors were granted authority to issue, either from Treasury or to allot, 2,074,149 ordinary shares. A total of 897,500 shares have been issued under this authority, leaving a remaining authority of 1,176,649 shares which will expire at the 2018 AGM.

Resolution 12 seeks to renew the Directors' authority to issue shares, either from Treasury or to allot, 2,163,899 shares with a nominal value of £1,081,949 (or such other amount being 10% of the issued share capital as at the date of this resolution). The resolution is set out in full in the Notice on page 1. If renewed, the authority will expire at the earlier of the date falling 15 months after the passing of this resolution and the conclusion of the AGM in 2019.

Resolution 13: Power to disapply pre-emption rights (special resolution)

On 1 February 2017 the Directors were given authority to allot up to 2,074,149 shares without first having to offer these to existing shareholders. The authority will expire at the 2018 AGM.

Resolution 13 seeks to renew the Directors' authority to allot ordinary shares pursuant to resolution 11, up to a maximum of 2,163,899 shares

Explanation of the Resolutions

with a nominal value of £1,081,949 (or such other amount being 10% of the issued share capital as at the date of this resolution) without first having to offer these shares to existing shareholders. New shares would not be issued at a discount to net asset value per share, as estimated at the time of issue.

Resolution 14: Repurchase of the Company's ordinary shares (special resolution)

On 1 February 2017 the Directors were granted authority to repurchase 3,243,685 ordinary shares (with a nominal value of £1,621,842) for cancellation or to be held in Treasury. The Directors have not bought back shares since 30 January 2015.

Resolution 14 seeks to renew the Company's authority to buy back shares. The authority under this resolution is limited to the purchase of a maximum of 14.99% of the ordinary shares in issue at the date of the passing of this resolution. The minimum price which may be paid for an ordinary share is 50p. In accordance with the Listing Rules of the Financial Conduct Authority, the maximum price which may be paid for an ordinary share is the higher of:

- (a) 5% above the average market value for the shares taken from the London Stock Exchange Daily Official List for the five business days prior to the date on which the purchase is made; and
- (b) the higher of the last independent bid and the highest current independent bid on the London Stock Exchange.

Both the minimum and maximum price are exclusive of any relevant tax and expenses payable by the Company.

It is the Company's current intention that any shares bought back will initially be held in Treasury, although they may be subsequently cancelled. Any shares sold out of Treasury will only be issued at a premium to the net asset value per share. As at the date of this Notice, 140,730 shares were held in Treasury (0.65% of the Company's share capital).

Any purchase of shares will only be made at a discount to the prevailing net asset value per ordinary share and hence would enhance the net asset value of the remaining shares. Purchases of shares will be made at the discretion of the Board and within guidelines set from time to time by the Board in the light of prevailing market conditions.

The Company may utilise the authority to purchase shares by either a single purchase or a series of purchases when market conditions allow, with the aim of maximising the benefit to shareholders. This proposal does not indicate that the Company will purchase shares at any particular time or price, nor imply any opinion on the part of the Directors as to the market or other value of the Company's shares.

This authority will expire at the conclusion of the earlier of the date falling 15 months after the passing of the resolution and the conclusion of the AGM in 2019 and it is the present intention of the Directors to seek a similar authority annually.

Resolution 15: Notice of General Meetings (special resolution)

Under the Companies Act 2006 the notice period for General Meetings (other than the AGM) is 21 days unless shareholders have approved the shorter period of 14 days. At the 2017 AGM shareholders approved the resolution to allow General Meetings to be called on 14 days' notice. The approval expires at the conclusion of the 2018 AGM.

In order to maintain maximum flexibility in communicating with shareholders, the Directors are seeking to renew the authority so that General Meetings (other than the AGM) may be called on the shortest permissible notice. This authority will only be used if to do so will be in the best interests of shareholders. The Company will be able to take advantage of this authority if all shareholders are given the opportunity (but not the obligation) to vote at such a General Meeting by electronic means. This authority will expire at the conclusion of the 2019 AGM.

Resolution 16: Amendments to the Articles of Association

The Companies Act 2006 (Amendment of Part 23) (Investment Companies) Regulation 2012 removed the requirement that the Articles of Association of an investment company must prohibit the distribution of capital profits. Accordingly, the Board are seeking authority at the Meeting to amend the Articles of Association to allow the Company to distribute capital profits. The proposed Articles of Association therefore reflect this change and remove all references to the prohibition of the distribution of capital profits by way of dividend.

The Board believes that the removal of this restriction will give the Company greater flexibility in the long term as it will enable the Company to make distributions from any surplus arising from the realisation of any investment. However, the Board has no intention of exercising this authority at the current time.

It is also proposed that the Articles of Association will be amended to (a) remove the aggregate limit in respect of Directors' remuneration in favour of embedding this limit in the Company's Remuneration Policy; (b) enable the Company to make additional payments to directors for services which go beyond the ordinary duties of a non-executive director; and (c) include provisions to provide the Company with the ability to require shareholders to co-operate in respect of the exchange of information to comply with the Company's international tax reporting obligations.

A copy of the current Articles of Association of the Company and the proposed new Articles of Association of the Company will be available for inspection during normal business hours (Saturdays, Sundays and public holidays excepted) at the offices of Janus Henderson Investors, 201 Bishopsgate, London EC2M 3AE from the date of the Annual Report in which this notice is included up until the close of the 2018 AGM. Copies will also be available for 15 minutes prior to, and during, the Meeting.

Notes to the Notice of Annual General Meeting

1. Rights to attend and vote

Subject to note 2, shareholders are entitled to attend and vote at the forthcoming AGM or at any adjournment(s) thereof. On a poll each member has one vote for every one share held.

2. Voting record date

Only shareholders registered in the Register of Members of the Company at 6.30 p.m. on 23 January 2018 (the "specified time") shall be entitled to attend, speak and vote at the AGM in respect of the

number of voting rights registered in their name at that time. Changes to entries on the Register of Members after the specified time shall be disregarded in determining the rights of any person to attend and vote at the AGM.

If the AGM is adjourned to a time not more than 48 hours after the time applicable to the original AGM, the specified time will also apply for the purpose of determining the entitlement of shareholders to attend and vote (and for the purpose of determining the number of

Notes to the Notice of Annual General Meeting

continued

votes they may cast) at the adjourned meeting. If, however, the AGM is adjourned for a longer period then, to be so entitled, shareholders must be entered on the Company's Register of Members at 6.30 p.m. on the day which is two days (excluding non-working days) before the day of the adjourned meeting or, if the Company gives notice of the adjourned meeting, at any time specified in that notice.

In the case of joint holders of a voting right, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders and, for this purpose, seniority shall be determined by the order in which the names stand in the Register of Members in respect of the joint holding.

3. Right to appoint proxies

Pursuant to section 324 of the Companies Act 2006 ("the Act"), a member entitled to attend and vote at the meeting may appoint more than one proxy, provided that each proxy is appointed to exercise the rights attached to different shares held by him. A proxy need not be a member of the Company. A form of proxy is enclosed. The completion of the form of proxy or any CREST proxy instruction (as described in Note 7 below) will not preclude a shareholder from attending and voting in person at the meeting. Section 324 of the Act does not apply to persons nominated to receive information rights pursuant to section 146 of the Act ("Nominated Persons"). Nominated Persons have been sent this Notice and are hereby informed, in accordance with section 149(2) of the Act that they may have the right under an agreement with the registered member by whom they are nominated to be appointed, or to have someone else appointed, as a proxy for this meeting. If they have such right or do not wish to exercise it, they may have a right under such an agreement to give instructions to the member as to the exercise of voting rights.

Nominated Persons should remember that their main point of contact in terms of their investment in the Company remains the member who nominated the Nominated Person to enjoy information rights (or, perhaps, the custodian or broker who administers the investment on their behalf). Nominated Persons should continue to contact that member, custodian or broker (and not the Company) regarding any changes or queries relating to the Company (including any administrative matter). The only exception to this is where the Company expressly requests a response from a Nominated Person.

The statement of rights of shareholders in relation to the appointment of proxies does not apply to Nominated Persons.

4. Proxies' rights to vote at the meeting

On a vote on a show of hands, each proxy has one vote. If a proxy is appointed by more than one shareholder and all such shareholders have instructed the proxy to vote in the same way, the proxy will only be entitled, on a show of hands, to vote "for" or "against" as applicable. If a proxy is appointed by more than one shareholder, but such shareholders have given different voting instructions, the proxy may, on a show of hands, vote both "for" and "against" in order to reflect the different voting instructions. On a poll, all or any of the voting rights of the shareholder may be exercised by one or more duly appointed proxies. However, where a shareholder appoints more than one proxy, Section 285(4) of the Act does not authorise the exercise by the proxies taken together of more extensive voting rights than could be exercised by the shareholder in person.

5. Voting by corporate representatives

Corporate representatives are entitled to attend and vote on behalf of the corporate member in accordance with Section 323 of the Act provided they do not do so in relation to the same shares.

6. Receipt and termination of proxies

To be valid, the enclosed form of proxy must be lodged with the Company's registrars (Equiniti Limited, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA) before 2.30p.m. on 23 January 2018.

A member may terminate a proxy's authority at any time before the commencement of the meeting. Termination must be provided in writing and submitted to the Company's registrar.

In accordance with the Company's Articles of Association, in determining the time for delivery of proxies, no account shall be taken of any part of a day that is not a working day.

7. Electronic receipt of proxies

To appoint one or more proxies or give an instruction to a proxy (whether previously appointed or otherwise) via the CREST system, CREST messages must be received by the Company's agent (ID number RA19) no later than the deadline specified in note 6. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp generated by the CREST system) from which the issuer's agent is able to retrieve the message. The Company may treat as invalid a proxy appointment sent by CREST in the circumstances set out in Regulation 35(5) (a) of the Uncertified Securities Regulations 2001. Instructions on how to vote through CREST can be found on the website www.euroclear.com

8. Voting instruction form

If you are a participant in the Halifax Share Dealing Products (run by Halifax Share Dealing Limited ('HSDL')) who transferred from the products formerly managed by Henderson Investors Limited, a pink voting instruction form will have been sent to you with this document. In accordance with the arrangements made at the time of the transfer, you are given the opportunity to instruct the nominee company of HSDL to exercise the voting rights appertaining to your shares.

Voting instruction forms should be returned as soon as possible, in accordance with the instructions given on them, so as to be received by HSDL no later than 10 January 2018. This timetable is to enable the nominee companies to submit a form of proxy 48 hours before the AGM.

9. Communication with the Company

You may not use any electronic address provided either in the Notice of Meeting or any related documents (including the form of proxy) to communicate with the Company for any purpose other than those expressly stated.

10. Questions at the AGM

Any member attending the AGM has the right to ask questions. Section 319A of the Act requires the Directors to answer any question raised at the AGM which relates to the business of the meeting, although no answer need be given (a) if to do so would interfere unduly with the proceedings of the meeting or involve disclosure of confidential information; (b) if the answer has already been given on the Company's website; or (c) if it is undesirable in the best interests of the Company or the good order of the meeting that the question be answered.

By attending the AGM, shareholders and their proxies and representatives are understood by the Company to have agreed to receive any communications relating to the Company's shares made at the Meeting.

Notes to the Notice of Annual General Meeting

continued

11. Shareholder right to include a resolution at the AGM

Under sections 338 and 338A of the Act, shareholders who satisfy the threshold requirements in those sections have the right to require the Company: i) to give, to shareholders entitled to receive Notice of the Meeting, notice of a resolution which may properly be moved and is intended to be moved at the AGM; and/or ii) to include in the business to be dealt with at the meeting any matter (other than a proposed resolution) which may be properly included in the business. A resolution may properly be moved or a matter may properly be included in the business unless: a) it would, if passed be ineffective (whether by reason of inconsistency with an enactment of the Company's constitution or otherwise; b) it is defamatory of any person; or c) it is frivolous or vexatious.

Such a request may be in hardcopy, must identify the resolution of which notice is to be given or the matter to be included in the business, must be authorised by the person or persons making it, must have been received by the Company not later than 13 December 2017, being the date six clear weeks before the meeting, and (in case of a matter to be included in the business only) must be accompanied by a statement setting out the grounds for the request.

12. Members' statement of audit concerns

Section 527 of the Act allows shareholders who meet the threshold requirements of that section to require the Company to publish a statement on its website setting out any matter relating to: i) the audit of the accounts to be laid at the meeting (including the auditor's report and the conduct of audit); or ii) any circumstances connected with the auditor ceasing to hold office since the last meeting at which annual accounts and reports were laid in accordance with section 437 of the Act. This is known as a "members' statement of audit concerns". If such a request is received the Company cannot require those shareholders requesting publication of the statement to meet its costs of complying with that request. The Company must also forward a copy of the statement to the auditor at the same time that it makes it available on the website. Where a members' statement of audit concerns is received it will be included in the business of the meeting as which the accounts are laid.

13. Website

A copy of the Notice of the Annual General Meeting, including these explanatory notes and other information required by section 311A of the Act, is included on the Company's website, www.henderson-european-focus.com

14. Total voting rights

As at the date of this Notice the total number of shares in issue was 21,638,991. The total number of voting rights on that date was 21,498,261 (140,730 shares being held in Treasury).

15. Disclosure obligations

If the Chairman, as a result of any proxy appointments, is given discretion as to how the votes the subject of those proxies are cast and the voting rights in respect of those discretionary proxies, when added to the interests in the Company's securities already held by the Chairman, result in the Chairman holding such number of voting rights that he has a notifiable obligation under the Disclosure and Transparency Rules, the Chairman will make the necessary notifications to the Company and the Financial Conduct Authority. As a result, any person holding 3% or more of the voting rights in the Company who grants the Chairman a discretionary proxy in respect of some or all of those voting rights and so would otherwise have a

notification obligation under the Disclosure and Transparency Rules, need not make a separate notification to the Company and the Financial Conduct Authority. Any such person holding 3% or more of the voting rights in the Company who appoints a person other than the Chairman as his/her proxy will need to ensure that both he/she and such third Party complies with their respective disclosure obligations under the Disclosure Guidance and Transparency Rules.

16. Documents available for inspection

The Register of Directors' holdings and Directors' terms of appointment are available for inspection at the registered office of the Company during normal business hours on any day (Saturdays, Sundays and public holidays excepted) and will be available at the place of the Meeting from 15 minutes prior to the commencement of the Meeting until the conclusion thereof. No Director has any contract for services with the Company.

Appendix 1

Investment Objective and Policy

Investment Objective

The Company seeks to maximise total return (a combination of income and capital growth) from a portfolio of stocks listed in Europe.

Investment Policy

Asset Allocation

The portfolio is predominantly invested in stocks listed in Continental Europe and has a bias to larger capitalised companies but may, within limits, be invested in the stocks of mid and smaller capitalised companies or in companies listed elsewhere, including UK, providing Continental European exposure.

Stock selection is not constrained by any benchmark and the stock weighting in the portfolio may be materially higher or lower than the weighting of any index used for performance comparisons, including in respect of geographical allocation.

Actual weightings of stocks held in the Company's portfolio are based upon the Manager's views of total return prospects. The portfolio is not constructed with a yield target.

Diversification

The portfolio contains between 45 to 60 stocks with a maximum single stock weighting of 10% of net asset value ("NAV") of the portfolio at the time of investment. Stocks weighted at 5% of the portfolio or more are not expected to exceed 40% of NAV in aggregate. The typical minimum stock weight is 1% of NAV.

Continental European listed stocks will consist of not less than 80 per cent of NAV at the time of investment, with the remaining exposure being in stocks listed elsewhere with significant exposure to Continental European economies. The exposure to smaller capitalised stocks at the time of investment is limited to 10% of NAV. (Smaller capitalised companies are considered to be those with a market capitalisation of less than €1 billion.)
