Explanation of the Resolutions

Resolutions 1 to 10 are proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 11 to 13 are proposed as special resolutions. This means that for each of those resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Resolution 1: Company's Annual Report and audited financial statements (ordinary resolution)

The Directors are required to present to the Meeting the Annual Report and audited financial statements in respect of the year ended 30 September 2018, along with the Independent Auditor's Report. Shareholders will be given an opportunity to ask questions on these items and, at the end of the discussion, will be invited to receive the Annual Report and audited financial statements.

Resolution 2: Approval of the Directors' Remuneration Report (ordinary resolution)

Shareholders are requested to approve the Directors' Remuneration Report, which sets out how the Remuneration Policy has been implemented. The Report is set out on pages 23 and 24 of the Annual Report 2018. The vote is advisory and does not affect the remuneration payable to any individual Director.

Resolution 3: Final dividend (ordinary resolution)

The Directors are proposing a final dividend of 21.50 pence per ordinary share. The proposed final dividend, alongside the interim dividend of 9.50 pence per ordinary share, brings the total dividend for the year to 31.00 pence per ordinary share. If approved, the dividend will be paid on 8 February 2019 to shareholders on the register on 11 January 2019.

Resolutions 4 to 7: Election and re-election of Directors (ordinary resolution)

The Company's Articles of Association require that directors appointed to the Board in the period since the last AGM should stand for election by shareholders at the first AGM following their appointment. Accordingly, Mrs Victoria Hastings, who was appointed to the Board on 1 September 2018, stands for election for the first time. Victoria brings to the role a wealth of investment management experience from her 30 years in the industry and the Board is pleased to recommend her election to shareholders.

In keeping with the provisions of the Corporate Governance Code issued by the Association of Investment Companies, Messrs Rodney Dennis and Alexander Comba, who have served as Directors for more than nine years, will stand for re-election at the 2019 AGM. In addition, Ms Eliza Dungworth will retire by rotation, as per the Company's Articles, and offers herself for re-election.

The Board has reviewed the contribution and commitment of the Directors standing for re-election and considers that they continue to bring current and relevant business experience that allows them to contribute effectively to the leadership of the Company. The Board is therefore pleased to recommend to shareholders the re-election of Messrs Dennis and Comba and Ms Dungworth at the 2019 AGM.

Biographical details of the Directors can be found on page 13 of the Annual Report 2018.

Resolutions 8 and 9: Re-appointment and remuneration of the auditor (ordinary resolution)

In accordance with sections 489 and 492 of the Companies Act 2006 ('the Act'), shareholders are required to approve the appointment of the Company's Statutory Auditor each year and to give the Audit Committee the authority to determine their remuneration. Following performance evaluation of the current auditor, Ernst & Young LLP ('EY'), in respect of the 2018 audit, the Directors recommend their re-appointment. EY has expressed its willingness to continue as auditor to the Company.

Resolution 9: Authority to allot shares (ordinary resolution)

On 25 January 2018 the Directors were granted authority either to issue from Treasury or to allot up to 2,163,899 ordinary shares. No shares have been issued under this authority, which will expire at the 2019 AGM.

Resolution 9 seeks to renew the Directors' authority either to issue from Treasury or to allot up to 2,163,899 shares with a nominal value of £1,081,949 (or such other amount being 10% of the issued share capital as at the date of this resolution). The resolution is set out in full in the Notice on page 1. If renewed, the authority will expire at the earlier of the date falling 15 months after the passing of this resolution and the conclusion of the AGM in 2020.

Resolution 10: Power to disapply pre-emption rights (special resolution)

On 25 January 2018 the Directors were given authority to allot up to 2,163,899 shares without first having to offer these to existing shareholders. The authority will expire at the 2019 AGM.

Resolution 10 seeks to renew the Directors' authority to allot ordinary shares pursuant to resolution 9, up to a maximum of 2,163,899 shares with a nominal value of £1,081,949 (or such other amount being 10% of the issued share capital as at the date of this resolution) without first having to offer these shares to existing shareholders. New shares would not be issued at a discount to net asset value per share, as estimated at the time of issue.

Resolution 11: Repurchase of the Company's ordinary shares (special resolution)

On 25 January 2018 the Directors were granted authority to repurchase 3,243,685 ordinary shares (with a nominal value of £1,621,842) for cancellation or to be held in Treasury. The Directors have not bought back shares since 30 January 2015.

Resolution 11 seeks to renew the Company's authority to buy back shares. The authority under this resolution is limited to the purchase of a maximum of 14.99% of the ordinary shares in issue at the date of the passing of this resolution. The minimum price which may be paid for an ordinary share is 50p. In accordance with the Listing Rules of the Financial Conduct Authority, the maximum price which may be paid for an ordinary share is the higher of:

- (a) 5% above the average market value for the shares taken from the London Stock Exchange Daily Official List for the five business days prior to the date on which the purchase is made; and
- (b) the higher of the last independent bid and the highest current independent bid on the London Stock Exchange.

Explanation of the Resolutions

continued

Both the minimum and maximum prices are exclusive of any relevant tax and expenses payable by the Company. It is the Company's current intention that any shares bought back will initially be held in Treasury, although they may subsequently be cancelled. Any shares sold out of Treasury will only be issued at a premium to the net asset value per share. As at the date of this Notice, 140,730 shares were held in Treasury (0.65% of the Company's share capital).

Any purchase of shares will only be made at a discount to the prevailing net asset value per ordinary share and hence would enhance the net asset value of the remaining shares. Purchases of shares will be made at the discretion of the Board and within guidelines set from time to time by the Board in the light of prevailing market conditions. The Company may utilise the authority to purchase shares by either a single purchase or a series of purchases when market conditions allow, with the aim of maximising the benefit to shareholders. This proposal does not indicate that the Company will purchase shares at any particular time or price, nor imply any opinion on the part of the Directors as to the market or other value of the Company's shares. This authority will expire at the

conclusion of the earlier of the date falling 15 months after the passing of the resolution and the conclusion of the AGM in 2020 and it is the present intention of the Directors to seek a similar authority annually.

Resolution 13: Notice of General Meetings (special resolution)

Under the Companies Act 2006 the notice period for General Meetings (other than the AGM) is 21 days unless shareholders have approved the shorter period of 14 days. At the 2018 AGM shareholders approved the resolution to allow General Meetings to be called on 14 days' notice. The approval expires at the conclusion of the 2019 AGM.

In order to maintain maximum flexibility in communicating with shareholders, the Directors are seeking to renew the authority so that General Meetings (other than the AGM) may be called on the shortest permissible notice. This authority will only be used if to do so will be in the best interests of shareholders. The Company will be able to take advantage of this authority if all shareholders are given the opportunity (but not the obligation) to vote at such a General Meeting by electronic means. This authority will expire at the conclusion of the 2020 AGM.

Notes to the Notice of Annual General Meeting

1. Rights to attend and vote

Subject to note 2, shareholders are entitled to attend and vote at the forthcoming AGM or at any adjournment(s) thereof. On a poll each member has one vote for every one share held.

2. Voting record date

Only shareholders registered in the Register of Members of the Company at 6.30 p.m. on 28 January 2019 (the "specified time") shall be entitled to attend, speak and vote at the AGM in respect of the number of voting rights registered in their name at that time. Changes to entries on the Register of Members after the specified time shall be disregarded in determining the rights of any person to attend and vote at the AGM.

If the AGM is adjourned to a time not more than 48 hours after the time applicable to the original AGM, the specified time will also apply for the purpose of determining the entitlement of shareholders to attend and vote (and for the purpose of determining the number of votes they may cast) at the adjourned meeting. If, however, the AGM is adjourned for a longer period then, to be so entitled, shareholders must be entered on the Company's Register of Members at 6.30 p.m. on the day which is two days (excluding non-working days) before the day of the adjourned meeting or, if the Company gives notice of the adjourned meeting, at any time specified in that notice.

In the case of joint holders of a voting right, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders and, for this purpose, seniority shall be determined by the order in which the names stand in the Register of Members in respect of the joint holding.

3. Right to appoint proxies

Pursuant to section 324 of the Companies Act 2006 ("the Act"), a member entitled to attend and vote at the meeting may appoint more than one proxy, provided that each proxy is appointed to exercise the rights attached to different shares held by him. A proxy need not be a member of the Company. A form of proxy is enclosed. The completion of the form of proxy or any CREST proxy instruction (as described in Note 7 below) will not preclude a shareholder from attending and voting in person at the meeting. Section 324 of the Act does not apply to persons nominated to receive information rights pursuant to section 146 of the Act ("Nominated Persons"). Nominated Persons have been sent this Notice and are hereby informed, in accordance with section 149(2) of the Act that they may have the right under an agreement with the registered member by whom they are nominated to be appointed, or to have someone else appointed, as a proxy for this meeting. If they have such right or do not wish to exercise it, they may have a right under such an agreement to give instructions to the member as to the exercise of voting rights.

Nominated Persons should remember that their main point of contact in terms of their investment in the Company remains the member who nominated the Nominated Person to enjoy information rights (or, perhaps, the custodian or broker who administers the investment on their behalf). Nominated Persons should continue to contact that member, custodian or broker (and not the Company) regarding any changes or queries relating to the Company (including any administrative matter). The only exception to this is where the Company expressly requests a response from a Nominated Person.

The statement of rights of shareholders in relation to the appointment of proxies does not apply to Nominated Persons.

4. Proxies' rights to vote at the meeting

On a vote on a show of hands, each proxy has one vote. If a proxy is appointed by more than one shareholder and all such shareholders have instructed the proxy to vote in the same way, the proxy will only be entitled, on a show of hands, to vote "for" or "against" as applicable. If a proxy is appointed by more than one shareholder, but such shareholders have given different voting instructions, the proxy may, on a show of hands, vote both "for" and "against" in order to reflect the different voting instructions. On a poll, all or any of the voting rights of the shareholder may be exercised by one or more duly appointed proxies. However, where a shareholder appoints more than one proxy, Section 285(4) of the Act does not authorise the exercise by the proxies taken together of more extensive voting rights than could be exercised by the shareholder in person.

5. Voting by corporate representatives

Corporate representatives are entitled to attend and vote on behalf of the corporate member in accordance with Section 323 of the Act provided they do not do so in relation to the same shares.

6. Receipt and termination of proxies

To be valid, the enclosed form of proxy must be lodged with the Company's registrars (Equiniti Limited, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA) before 2.30p.m. on 28 January 2019.

A member may terminate a proxy's authority at any time before the commencement of the meeting. Termination must be provided in writing and submitted to the Company's registrar.

In accordance with the Company's Articles of Association, in determining the time for delivery of proxies, no account shall be taken of any part of a day that is not a working day.

7. Electronic receipt of proxies

To appoint one or more proxies or give an instruction to a proxy (whether previously appointed or otherwise) via the CREST system, CREST messages must be received by the Company's agent (ID number RA19) no later than the deadline specified in note 6. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp generated by the CREST system) from which the issuer's agent is able to retrieve the message. The Company may treat as invalid a proxy appointment sent by CREST in the circumstances set out in Regulation 35(5)(a) of the Uncertified Securities Regulations 2001. Instructions on how to vote through CREST can be found on the website www.euroclear.com

8. Communication with the Company

You may not use any electronic address provided either in the Notice of Meeting or any related documents (including the form of proxy) to communicate with the Company for any purpose other than those expressly stated.

9. Questions at the AGM

Any member attending the AGM has the right to ask questions. Section 319A of the Act requires the Directors to answer any question raised at the AGM which relates to the business of the meeting, although no answer need be given (a) if to do so would interfere unduly with the proceedings of the meeting or involve disclosure of confidential information; (b) if the answer has already been given on the Company's website; or (c) if it is undesirable in the best interests of the Company or the good order of the meeting that the question be answered.

Notes to the Notice of Annual General Meeting

continued

By attending the AGM, shareholders and their proxies and representatives are understood by the Company to have agreed to receive any communications relating to the Company's shares made at the Meeting.

10. Shareholder right to include a resolution at the AGM

Under sections 338 and 338A of the Act, shareholders who satisfy the threshold requirements in those sections have the right to require the Company: i) to give, to shareholders entitled to receive Notice of the Meeting, notice of a resolution which may properly be moved and is intended to be moved at the AGM; and/or ii) to include in the business to be dealt with at the meeting any matter (other than a proposed resolution) which may be properly included in the business. A resolution may properly be moved or a matter may properly be included in the business unless: a) it would, if passed, be ineffective (whether by reason of inconsistency with an enactment of the Company's constitution or otherwise); b) it is defamatory of any person; or c) it is frivolous or vexatious.

Such a request may be in hardcopy, must identify the resolution of which notice is to be given or the matter to be included in the business, must be authorised by the person or persons making it, must have been received by the Company not later than the date of this Notice given, and (in case of a matter to be included in the business only) must be accompanied by a statement setting out the grounds for the request.

11. Members' statement of audit concerns

Section 527 of the Act allows shareholders who meet the threshold requirements of that section to require the Company to publish a statement on its website setting out any matter relating to: i) the audit of the accounts to be laid at the meeting (including the auditor's report and the conduct of audit); or ii) any circumstances connected with the auditor ceasing to hold office since the last meeting at which annual accounts and reports were laid in accordance with section 437 of the Act. This is known as a "members' statement of audit concerns". If such a request is received, the Company cannot require those shareholders requesting publication of the statement to meet its costs of complying with that request. The Company must also forward a copy of the statement to the auditor at the same time that it makes it available on the website. Where a members' statement of audit concerns is received it will be included in the business of the meeting at which the accounts are laid.

12. Website

A copy of the Notice of the Annual General Meeting, including these explanatory notes and other information required by section 311A of the Act, is included on the Company's website, www.hendersonseuropeanfocus.com

13. Total voting rights

As at the date of this Notice the total number of shares in issue was 21,638,991. The total number of voting rights on that date was 21,498,261 (140,730 shares being held in Treasury).

14. Disclosure obligations

If the Chairman, as a result of any proxy appointments, is given discretion as to how the votes the subject of those proxies are cast and the voting rights in respect of those discretionary proxies, when added to the interests in the Company's securities already held by the Chairman, result in the Chairman holding such number of voting rights that he has a notifiable obligation under the Disclosure and Transparency Rules, the Chairman will make the necessary notifications to the Company and the Financial Conduct Authority. As a result, any person holding 3% or more of the voting rights in the Company who grants the Chairman a discretionary proxy in respect of some or all of those voting rights and so would otherwise have a notification obligation under the Disclosure and Transparency Rules need not make a separate notification to the Company and the Financial Conduct Authority. Any such person holding 3% or more of the voting rights in the Company who appoints a person other than the Chairman as his/her proxy will need to ensure that both he/she and such third party comply with their respective disclosure obligations under the Disclosure Guidance and Transparency Rules.

15. Documents available for inspection

The Register of Directors' holdings and Directors' terms of appointment are available for inspection at the registered office of the Company during normal business hours on any day (Saturdays, Sundays and public holidays excepted) and will be available at the place of the Meeting from 15 minutes prior to the commencement of the Meeting until the conclusion thereof. No Director has any contract for services with the Company.
