

Henderson Alternative Strategies Trust plc
Notice of 2018 Annual General Meeting

Letter from the Chairman

Dear Shareholder

Notice of Annual General Meeting

I hope that you will be able to attend the Annual General Meeting (AGM) of the Company, which is to be held on **Wednesday 24 January 2018 at 11.30 am** at 201 Bishopsgate, London EC2M 3AE (the offices of Janus Henderson Investors).

The Notice of Meeting can be found on pages 1 and 2 of this document, with a map on page 6 showing the venue. Further details of each of the resolutions to be proposed are set out in the Explanatory Notes on pages 3 and 4. I also refer you to the Company's Annual Report for the year ended 30 September 2017 (the Annual Report), which is being sent to shareholders with this document.

This year a resolution will be put to shareholders that the Company continues as an investment trust. Although I have set out why the Board recommends shareholders vote in favour of this resolution on pages 4 and 5 of the Annual Report, I thought it might be useful if I repeated the reasons here for ease of reference.

First, the Company's investment performance has improved significantly. In April 2013 Janus Henderson inherited an underperforming, poorly-positioned and relatively illiquid portfolio which the Fund Managers stated might take up to three years to restructure. This proved to be the case, but two consecutive financial years of double-digit share price and NAV total returns have demonstrated that the restructuring has been successful. In addition, as highlighted in their report, the Fund Managers are confident that the Company's investment portfolio is well-positioned to deliver further attractive returns over the long-term.

Second, the Board is strongly of the view that the Company provides professional and retail investors with a genuinely differentiated investment proposition by seeking to deliver equity equivalent long-term returns from a well-diversified portfolio of niche, hard-to-access or complex alternative and specialist asset funds. The Board believes the Company has no obvious peer listed on the UK stock market and the Company's recent

success in attracting new investors to its shareholder register is evidence that it has a genuine *raison d'être*.

Third, considerable progress has been made since 2015 in narrowing the Company's discount to net asset value. The Board believes that there is scope for further improvement in both of the Company's asset value and share price if performance remains robust and marketing activity is maintained at current levels.

Fourth, given the nature of the Company's investment mandate, the Company's portfolio includes a number of illiquid holdings which, if exited in a time-limited portfolio liquidation, would attract discounts to the valuations ascribed to them currently by the Company. There are also a number of mature holdings which are themselves engaged in self-liquidation processes which may prove very difficult to complete fully within a limited timeframe. In view of these considerations, the Board believes that it is important for shareholders to be aware that a vote against continuation, which then leads to a portfolio liquidation, may be value-damaging and may not necessarily result in either the full or timely return in cash of the Company's NAV (less the costs associated with any portfolio liquidation process).

Our Fund Managers, Ian Barrass and James de Bunsen, will give a presentation and there will be opportunities to ask questions. I hope that you will be able to attend and, if not, that you vote by completing and returning your form of proxy. The AGM will be broadcast on the internet so if you are unable to attend in person you can watch the meeting by visiting www.janushenderson.com/trustslive.

The Board considers that the resolutions to be proposed at the AGM are in the best interests of the Company's shareholders as a whole. The Board therefore recommends unanimously to shareholders that they vote in favour of each of the resolutions, as the Directors intend to do in respect of their own beneficial holdings.

Yours faithfully

Richard Gubbins
Chairman

This power expires at the conclusion of the next AGM or the date falling 15 months from the passing of this resolution, whichever is the earlier, save that the Company may, before such expiry, make an offer or agreement which would or might require equity securities to be allotted after such expiry and the Directors may allot equity securities in pursuance of any such offer or agreement as if the power conferred hereby had not expired.

Explanation of the Resolutions

Resolutions 1 to 10 are proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution.

Resolutions 11 to 13 are proposed as special resolutions. This means that for each of those resolutions to be passed, at least three quarters of the votes cast must be in favour of the resolution.

Annual Report (Resolution 1) (ordinary resolution)

The Directors are required to lay before the AGM the Report and audited financial statements of the Company for the year ended 30 September 2017 (the Annual Report), including the Strategic Report, Report of the Directors, Directors' Remuneration Report and the Independent Auditors' Report on the financial statements. Shareholders are asked to receive the Annual Report.

Directors' Remuneration Report (Resolution 2) (ordinary resolution)

The shareholders are asked to receive and approve the Directors' Remuneration Report for the year ended 30 September 2017, as set out on pages 24 and 25 of the Annual Report.

Dividend (Resolution 3) (ordinary resolution)

The Directors propose a final dividend of 4.75p per ordinary share. If approved by shareholders at the AGM, the final dividend will be paid on 7 February 2018 to those shareholders on the register of members on 12 January 2018.

Directors (Resolutions 4, 5 and 6) (ordinary resolutions)

The Articles of Association require that a Director retire from office at the third AGM after the AGM at which he or she was last elected. Accordingly, Richard Gubbins and Graham Oldroyd will stand for re-election. In addition, the Articles of Association require that a Director should retire from office at the first AGM after his or her first appointment by shareholders. Accordingly, Mary-Anne McIntyre will stand for election.

At its meeting in September 2017, the Nomination Committee reviewed the performance, contribution and commitment of each of the Directors. The Nomination Committee considers that each Director continues to bring, or will bring in the case of Mary-Anne McIntyre who recently joined the Board, extensive current and relevant business experience that allows them to contribute effectively to the leadership of the Company. The Board is therefore pleased to recommend the above Directors for re-election, or election as applicable.

Biographical details for the Directors are on page 13 of the Annual Report.

Statutory Auditor (Resolutions 7 and 8) (ordinary resolutions)

In accordance with sections 489 and 492 of the Companies Act 2006, shareholders are required to approve the appointment of the Company's Auditor each year and to give authority

to determine the Auditor's remuneration. The Board are recommending Resolution 7, the re-appointment of Grant Thornton UK LLP as Auditor to the Company. Resolution 8 authorises the Audit Committee to determine their remuneration.

Continuation Vote (Resolution 9) (ordinary resolution)

At the Annual General Meeting held in December 2014 shareholders approved the continuation of the Company and the Articles of Association were amended so that the continuation vote would be put to every third subsequent AGM. Resolution 9 continues this cycle.

Authority to allot shares (Resolution 10) (ordinary resolution)

On 25 January 2017 the Directors were granted authority to allot 2,148,812 ordinary shares. No shares have been allotted under this authority, which will expire at the forthcoming AGM. An ordinary resolution to renew this authority will be proposed, which will allow the Directors to allot shares up to a maximum aggregate nominal amount of £483,480 (or such other amount representing 5% of the ordinary issue share capital as at the date of the resolution). The resolution is set out in full in the Notice on page 1. If renewed, the authority will expire at the earlier of the date falling 15 months after the passing of the resolution and the conclusion of the next AGM. New shares would not be issued at a discount to net asset value. No shares were held in treasury at the date of this Notice.

Power to dis-apply pre-emption rights (Resolution 11) (special resolution)

Resolution 11 will give the Directors power to disapply pre-emption rights in respect of shares issued under Resolution 10 and from treasury up to an aggregate nominal amount of £483,480 (or such other amount representing 5% of the ordinary issue share capital as at the date of the resolution). The resolution is set out in full in the Notice on page 1. If renewed, the power will expire on the earlier of the date falling 15 months after the passing of this resolution and at the conclusion of the next AGM.

The Directors would use the authority granted by the passing of Resolution 11 to take advantage of opportunities in the market as they arise, only if they believe it to be advantageous to the Company's existing shareholders to do so and when it would not result in any dilution of net asset value per share (i.e. shares will only be issued at a premium to net asset value).

Repurchase of the Company's Ordinary Shares (Resolution 12) (special resolution)

On 25 January 2017 the Directors were granted authority to repurchase 6,442,142 ordinary shares (with a nominal value of £1,610,535) for cancellation or to be held in treasury. The Directors have not bought back any shares under this authority and therefore at the date of this Notice the Directors have remaining authority to repurchase 6,442,142 shares. Resolution 12 seeks to renew the Company's authority to buy back shares. The authority under this resolution is limited to the purchase

Explanation of the Resolutions

of a maximum of 14.99% of the ordinary shares in issue at the date of the passing of this resolution (amounting to 5,797,927 shares at the date of this Notice). The minimum price which may be paid for an ordinary share is 25p. The maximum price which may be paid for an ordinary share is the higher of;

(a) 105% of the average middle market quotations for an ordinary share taken from the London Stock Exchange Daily Official List for the five business days immediately preceding the day on which the ordinary share is purchased; and

(b) the higher of the last independent bid and the highest current bid on the London Stock Exchange.

Both the minimum and maximum price are exclusive of any relevant tax and expenses payable by the Company. The Company may cancel or hold in treasury any shares bought back under this authority. No shares were held in treasury at the date of this Notice.

The Directors believe that, from time to time and subject to market conditions, it will continue to be in the shareholders' interests to have the ability to buy back the Company's shares when they are trading at a discount to the underlying net asset value per share. The Company may utilise the authority to purchase shares by either a single purchase or a series of purchases when market conditions allow, with the aim of

maximising the benefit to shareholders. This proposal does not indicate that the Company will purchase shares at any particular time or price, nor imply any opinion on the part of the Directors as to the market or other value of the Company's shares. This authority will expire at the earlier of the date falling 15 months after the passing of this resolution and the conclusion of the next AGM and it is the present intention of the Directors to seek a similar authority annually.

Notice of general meetings (Resolution 13) (special resolution) Changes made to the Companies Act 2006 by the Shareholders' Rights Regulations increased the notice period required for general meetings of the Company to 21 clear days unless shareholders approve a shorter notice period, which cannot be less than 14 clear days (AGMs will continue to be held on at least 21 clear days' notice). Before the coming into force of the Shareholders' Rights Regulations on 3 August 2009, the Company was able to call general meetings other than an AGM on 14 clear days' notice without obtaining such shareholder approval. In order to preserve this ability, Resolution 14 seeks such approval. The approval will be effective until the Company's next AGM, when it is intended that a similar resolution will be proposed. The Board would utilise this authority to provide flexibility when merited and would not use it as a matter of routine.

Notes to the Notice of Annual General Meeting

1. Voting record date

Only those members registered in the Register of Members of the Company at 6.00 pm on Monday 22 January 2018 shall be entitled to attend and vote at the Meeting in respect of the number of voting rights registered in their name at that time. Changes to entries on the Register of Members after 6.00 pm on Monday 22 January 2018 shall be disregarded in determining the rights of any person to attend and vote at the Meeting.

If the AGM is adjourned for no more than 48 hours after the original time, the same voting record date will also apply for the purpose of determining the entitlement of members to attend, speak and vote (and for the purpose of determining the number of votes they may cast) at the adjourned meeting. If the AGM is adjourned for more than 48 hours then the voting record date will be 6.00 p.m. on the day which is two days (excluding non-working days) before the day of the adjourned meeting or, if the Company gives notice of the adjourned meeting, at any time specified in that notice.

In the case of joint holders of a voting right, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders and, for this purpose, seniority shall be determined by the order in which the names stand in the Register of Members in respect of the joint holding.

2. Rights to attend and vote

Holders of ordinary shares are entitled to attend and vote at the Meeting or at any adjournment(s) thereof. On a poll every ordinary shareholder has one vote for every one share held.

3. Rights to appoint proxies

Pursuant to section 324 of the Companies Act 2006, a member entitled to attend and vote at the Meeting may appoint more than one proxy, provided that each proxy is appointed to exercise the rights attached to different shares held by him. A proxy need not be a member of the Company.

A Form of Proxy is enclosed. The completion of the Form of Proxy will not preclude a shareholder from attending and voting in person at the Meeting.

Section 324 does not apply to persons nominated to receive information rights pursuant to section 146 of the Companies Act 2006. Persons nominated to receive information rights under section 146 of the Companies Act 2006 have been sent this Notice of Meeting and are hereby informed, in accordance with section 149(2) of the Companies Act 2006, that they may have the right under an agreement with the registered member by whom they are nominated to be appointed, or to have someone else appointed, as a proxy for this Meeting. If they have no such right or do not wish to exercise it, they may have a right under

Notes to the Notice of Annual General Meeting

such an agreement to give instructions to the member as to the exercise of voting rights.

Nominated persons should contact the registered member by whom they were nominated in respect of these arrangements.

The rights of members relating to the appointment of proxies do not apply to nominated persons.

4. Proxies' rights to vote at the Meeting

On a vote on a show of hands, each proxy has one vote.

If a proxy is appointed by more than one member and all such members have instructed the proxy to vote in the same way, the proxy will only be entitled, on a show of hands, to vote 'for' or 'against' as applicable. If a proxy is appointed by more than one member, but such members have given different voting instructions, the proxy may, on a show of hands, vote both 'for' and 'against' in order to reflect the different voting instructions.

On a poll all or any of the voting rights of the member may be exercised by one or more duly appointed proxies. However, where a member appoints more than one proxy, section 285(4) of the Companies Act 2006 does not authorise the exercise by the proxies taken together of more extensive voting rights than could be exercised by the member in person.

5. Voting by corporate representatives

Corporate representatives are entitled to attend and vote on behalf of the corporate member in accordance with section 323 of the Companies Act 2006.

6. Receipt and termination of proxies

To be valid the enclosed Form of Proxy must be lodged with the Company's Registrar before 11.30 am on Monday 22 January 2018.

A member may terminate a proxy's authority at any time before the commencement of the Meeting. Termination must be provided in writing and submitted to the Company's Registrar.

In accordance with the Company's Articles of Association, in determining the time for delivery of proxies no account shall be taken of any part of a day that is not a working day.

7. Electronic receipt of proxies

CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so for the Meeting and any adjournment(s) thereof by utilising the procedures described in the CREST manual, which is available to download from the Euroclear website (www.euroclear.com/CREST). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and

must contain the information required for such instructions, as described in the CREST manual. The message must be transmitted so as to be received by the Issuer's agent (ID 3RA50) by the latest time for receipt of proxy appointments specified in note 6 above. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST applications host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service provider(s) should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5) of the Uncertificated Securities Regulations 2001.

8. Voting instruction form

If you are a participant in the Halifax Share Dealing Products (run by Halifax Share Dealing Limited ("HSDL")) who transferred from the products formerly managed by Henderson Global Investors Limited ("Henderson") or who have subsequently been introduced via Henderson, a pink voting instruction form will have been sent to you with this document. In accordance with the arrangements made between HSDL and Henderson, you are given the opportunity to instruct the nominee company of HSDL to exercise the voting rights appertaining to your shares.

Voting instruction forms should be returned as soon as possible, in accordance with the instructions given on them, so as to be received by HSDL not later than 16 January 2018. This timetable is to enable the nominee companies to submit a form of proxy 48 hours before the AGM.

9. Questions at the Meeting

Section 319A of the Companies Act 2006 requires the Directors to answer any question raised at the Meeting which relates to the business of the Meeting, although no answer need be given:

- (a) if to do so would interfere unduly with the preparation of the Meeting or involve disclosure of confidential information;

Notes to the Notice of Annual General Meeting

continued

- (b) if the answer has already been given on the Company's website; or
- (c) if it is undesirable in the best interests of the Company or the good order of the Meeting that the question be answered.

Members satisfying the thresholds in section 527 of the Companies Act 2006 can require the Company to publish a statement on its website setting out any matter relating to:

- (a) the audit of the Company's accounts (including the auditors' report and the conduct of the audit) that are to be laid before the Meeting; or
- (b) any circumstances connected with an auditor of the Company ceasing to hold office since the last annual general meeting, that the members propose to raise at the Meeting.

The Company cannot require the members requesting the publication to pay its expenses. Any statement placed on the website must also be sent to the Company's auditors no later than the time at which it makes its statement available on the website. The business which may be dealt with at the Meeting includes any statement that the Company has been required to publish on its website.

10. Website

A copy of this Notice, including information required by section 311A of the Companies Act 2006, is included on the Company's website, www.hendersonalternativestrategiestrust.com

11. Total voting rights

As at 14 December 2017 (being the last practicable date prior to the publication of this Notice) the Company's issued ordinary share capital consisted of 38,678,638 ordinary shares of 25p each, carrying one vote each. Therefore, the total voting rights in the Company on a poll were 38,678,638.

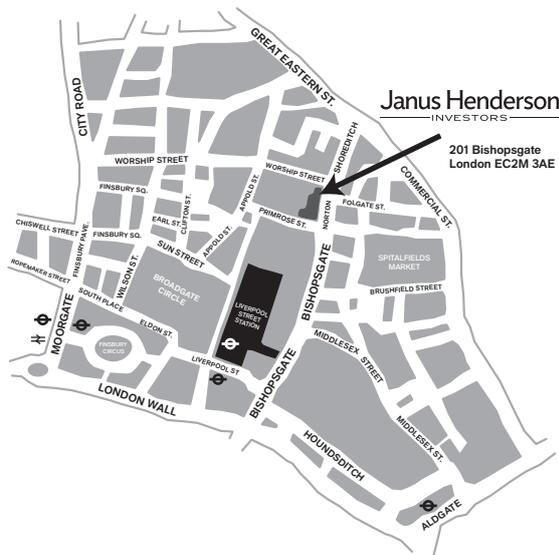

12. Receipt of communications at the Meeting

The attendance at the Meeting of members and their proxies and representatives is understood by the Company to confirm their agreement to receive any communications made at the Meeting.
